

**Ajara Mahavidyalaya, Ajara**  
**Academic Activity Calendar 2023- 24**  
**Month - July**

| Sr. No. | Department            | Activity                             |
|---------|-----------------------|--------------------------------------|
| 1       | Physics               | Introduction of Departmental Library |
| 2       | Chemistry             | Alumni Interaction Activity          |
| 3       | Botany                | Departmental Library, Alumni Record  |
| 4       | Zoology               | Activity by use of ICT               |
| 5       | Statistics            | Alumni Felicitation                  |
| 6       | Environmental Studies | Van Mahostav Saptah                  |
| 7       | Marathi               | Alumni Interaction Activity          |
| 8       | Economics             | Online Quiz competition              |
| 9       | Library               | Book Exhibition on NEP 2020 Week     |

**Month - August**

| Sr. No. | Department            | Activity                                                              |
|---------|-----------------------|-----------------------------------------------------------------------|
| 1       | Physics               | Course for slow learners                                              |
| 2       | Chemistry             | Alumini interaction activity                                          |
| 3       | Botany                | Skill Enhancement Course, Field Projects                              |
| 4       | Zoology               | Expt. / Participative learning (Study Tour)                           |
| 5       | Mathematics           | Alumni Lecture                                                        |
| 6       | Statistics            | Group Discussion (B.Sc. III)                                          |
| 7       | Computer Science      | Group Assignment                                                      |
| 8       | B.C.A.                | Conference                                                            |
| 9       | Environmental Studies | Green Audit, Green Club, Guidance for Field Study Project work.       |
|         |                       |                                                                       |
| 10      | Hindi                 | Publication of ASHAY wall paper                                       |
| 11      | Marathi               | Publication of NAVAPALLAV wall paper                                  |
| 12      | Marathi               | Celebration of Lokmany Tilak And Annabhau Sathe Jayanti               |
| 13      | English               | Alumni Interaction Activity                                           |
| 14      | Geography             | Alumni Lecture                                                        |
| 15      | Sociology             | Guest Lecture                                                         |
| 16      | Commerce              | Alumni Lecture                                                        |
| 18      | Library               | 1.Book Exhibition onANNabhau Sathe & Lokmanya Tilak Birth Anniversary |
| 19      |                       | 2. Book Exhibition on Revolution Day                                  |
|         |                       |                                                                       |

**Month - September**

| Sr. No. | Department | Activity                  |
|---------|------------|---------------------------|
| 1       | Physics    | Seminar                   |
| 2       | Chemistry  | Faculty Exchange Activity |

|    |                       |                                                        |
|----|-----------------------|--------------------------------------------------------|
| 3  | Botany                | Study tour ( B.sc.-I and III )                         |
| 4  | Zoology               | Skill Oriented Course ( Water testing)                 |
| 5  | Mathematics           | Infosys Course                                         |
| 6  | Statistics            | Oral Quiz (B.Sc. III)                                  |
| 7  | Computer Science      | Guest Lecture                                          |
| 8  | B.C.A.                | Infosys Course                                         |
| 9  | Environmental Studies | World Ozone Day                                        |
| 10 | Hindi                 | Organization of Eassy writing competetion              |
| 11 | Hindi                 | Celebration of HINDI DIWAS                             |
| 12 | English               | COC in Basic English Grammer                           |

| 14 | Geography             | Guest Lecture and Activity under MoU, Educational Tour |
| 15 | Commerce              | Organization Quiz And Guest Lecture                    |

### Month - October

| Sr. No. | Department            | Activity                              |
|---------|-----------------------|---------------------------------------|
| 1       | Physics               | Organization of LED Bulb Workshop     |
| 2       | Chemistry             | Course for slow learners              |
| 3       | Botany                | Participative Learning - Seminar      |
| 4       | Zoology               | Faculty Exchange Programme            |
| 5       | Mathematics           | Faculty Exchange Programme            |
| 6       | Statistics            | Alumni Lecture                        |
| 7       | B.C.A.                | Alumni Lecture                        |
| 8       | Environmental Studies | Wildlife Week, Vishv Swachata Din     |
| 9       | Hindi                 | Visit under MoU                       |
| 10      | Marathi               | Faculty Exchange Programme            |
| 11      | Sociology             | Guest Lecture                         |
| 12      | Commerce              | Organization of Workshop              |
| 13      | Library               | Book Exhibition on Vachan Prerana Din |

### Month - November

| Sr. No. | Department            | Activity                                              |
|---------|-----------------------|-------------------------------------------------------|
| 1       | Chemistry             | Course for slow learners                              |
| 2       | Zoology               | MoU activity                                          |
| 3       | Computer Science      | Workshop                                              |
| 4       | Environmental Studies | Rashtriya Paryavaran Din, Functional MoU & Activities |

### Month - December

| Sr. No. | Department | Activity                   |
|---------|------------|----------------------------|
| 1       | Physics    | Alumni Lecture             |
| 2       | Chemistry  | Faculty Exchange Programme |

|    |                       |                                               |
|----|-----------------------|-----------------------------------------------|
| 3  | Botany                | Workshop                                      |
| 4  | Zoology               | Workshop                                      |
| 5  | Mathematics           | Celebration of Mathematics Day, Guest Lecture |
| 6  | Statistics            | Project for B.Sc. III                         |
| 7  | B.C.A.                | Alumni Meet                                   |
| 8  | Environmental Studies | Rashtriya Urja Sanrakshan Din                 |
| 9  | Hindi                 | Rachnakar Se Samvad                           |
| 10 | Sociology             | Poster Presentation                           |

### Month - January

| Sr. No. | Department            | Activity                                                                 |
|---------|-----------------------|--------------------------------------------------------------------------|
| 1       | Physics               | Faculty Exchange Programme                                               |
| 2       | Chemistry             | Organization of Conference, Educational visit                            |
| 3       | Botany                | Experimental Learning (B.Sc. II & III)                                   |
| 4       | Zoology               | Alumni Activity                                                          |
| 5       | Mathematics           | Participative Learning - Seminar                                         |
| 6       | Statistics            | COC                                                                      |
| 7       | Computer Science      | Alumni Interaction                                                       |
| 8       | Environmental Studies | Experimental / Participative Learning - Field Visit, Poster Presentation |
| 9       | Hindi                 | Publication of ASHAY wall paper                                          |
| 10      | Marathi               | Publication of NAVAPALLAV wall paper                                     |
| 11      | English               | Organization of Lead College Workshop                                    |
| 12      | Economics             | Guest Lecture                                                            |
| 13      | Sociology             | Poster Presentation                                                      |
| 14      | Commerce              | Guest Lecture                                                            |

### Month - February

| Sr. No. | Department            | Activity                                                |
|---------|-----------------------|---------------------------------------------------------|
| 1       | Physics               | Study Tour                                              |
| 2       | Chemistry             | MoU activity, Participative learning                    |
| 3       | Botany                | 1. Alumini meet                                         |
|         |                       | 2. Bot - Quiz (B.Sc. III)                               |
| 4       | Mathematics           | Functional MoU & Activities                             |
| 5       | Statistics            | Case Study (B.Sc. II)                                   |
