

Perspective Plan For The Academic Year 2022-2023 To 2031-2032

Introduction

The College has prepared a Perspective Plan for the period of Ten years commencing from academic year 2022-2023, based on the report of the NAAC peer team visit in January, 2020 considering the goals and objectives of the institution, needs of society, trends in higher education, thrust areas of the UGC, NAAC core values, enhancing employability of the students, and sustenance of value based quality education to students. In the preparation of the Perspective Plan, the Internal Quality Assurance Cell (IQAC) of the college has played a major role. Inputs from stakeholders, their expectations, management policies, goals and objectives of the college are the base for formulation of the perspective plan. Also, the quality indicators of seven criteria are considered while preparing the Perspective Plan.

The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from the stakeholders and the recommendations of the IQAC are taken into consideration while the Perspective Plan. Feedback from the stakeholders, participation of students in social activities and in teaching learning process, use of ICT are some of the measures implemented for quality sustenance.

The draft of Perspective Plan has been discussed, reviewed and approved in the College Development Committee and Board of Executives/Directors of Janata Education Society, Ajara.
